

Head Start Teacher

The Urban League of Metropolitan St. Louis Inc. is currently seeking Teachers in the Head Start program. Position responsibilities include planning and conducting classroom activities which provide individual developmental experiences for children; performing classroom teaching duties; being responsible for the health, safety, and personal welfare of assigned children; providing direction for Teacher Assistants and parent volunteers; conducting home visits and promoting parent involvement in the classroom. Candidates must be team players with three years of relevant experience and a working knowledge of Microsoft Office. An AA in early childhood education or related field strongly preferred for teacher candidates. We offer a positive work environment, competitive salary and an excellent benefit package. Current and former Head Start parents will receive preference for employment vacancies for which they are qualified.

The Urban League of Metropolitan St. Louis is an Equal Opportunity Employer.
