

Young Leaders Network a Success

St. Louis Business Journal

The Regional Business Council hosted the Young Leaders Network event at the Four Seasons Hotel on June 19. Nearly 350 guests were in attendance. The social event was a way for young St. Louis minority professionals to develop connections throughout the community with a variety of organizations, including the United Way and the Urban League.

The event was part of the Regional Business Council's Business Diversity initiative, which works to increase workforce diversity throughout the region.
